FROM THE PRINCIPAL

You looked with love upon me
And deep within your eyes imprinted grace;
This mercy set me free,
Held in your love’s embrace,
To lift my eyes adoring to your face.
(St John of the Cross)

Dear Parents and Staff

From Sunday to Wednesday of this week our Leadership Team attended the National Catholic Education Commission Conference at the Convention Centre in Perth. The conference, attended by 1400 Catholic educators predominantly from throughout Australia and New Zealand, covered a wide range of contemporary topics, some specific to Catholic Education and others more general in nature. Approximately one in every five children in Australia attends a Catholic school so our contribution to the country’s educational future is significant. Archbishop Timothy Costelloe in his opening address referred to the conference theme, Faith to Lead, Lead to Faith telling us that “To have faith to lead is to have trust in Jesus who, through the gift of His Spirit, enables us to be the leaders, the guides, the formators of our young people that God is calling us to be.
“We can indeed do all things in Christ who strengthens us – so let us make sure that He is at the heart of everything we do and say in our time together” This has been an excellent conference which will be the stimulus for much discussion at our future Leadership Team meetings.

SEMESTER REPORTS
These may be accessed online from 12.00pm tomorrow. If you experience any difficulties in accessing your child/ren’s Report please refer to the information from previous newsletters or contact the school office for assistance.

PARENT/TEACHER MEETINGS
These will be held next Wednesday 29 June. The children will be dismissed at 12.00pm so that staff may have a short break before interviews commence at 12.30pm. It is very important that parents meet with their children’s teacher so as to gain a much better understanding of their progress. If you have not already booked your interview time please do so as per the information that was sent to all families. The school office staff will be able to assist if you are experiencing difficulties with this.

TECHNOLOGY

I have become aware over the past few weeks that a number of children at Notre Dame have a YouTube account and that they have been posting videos to this. As with all forms of social media, there are potential problems that may occur. Some social media sites have minimum age limits but I'm not aware of this being the case with YouTube. In all of the videos that I have seen, that have been uploaded by the children, there is no intent to do anything wrong or cause injury. However, sadly, not everyone who views these is as trustworthy as us and displaying children in school uniform and saying things about themselves may place children at risk of inappropriate interest from others. In most instances the parents of children who have uploaded the YouTube and others included in the clip have not been aware that this was happening. Parents will need to make their own decision about their children’s use of technology, I am merely alerting you to what has been occurring and the potential for things to go wrong. As we should all be aware, children are excellent users of technology and in a few instances some have taken clips at school that have been later uploaded to YouTube. Children found to be doing this will be denied use of technology whilst at school for an appropriate period of time.

BEFORE & AFTER SCHOOL

A number of children are being dropped at school early or being collected late each day. At Notre Dame children are not to be dropped at school before 8.00am from which time a teacher will be on duty and are to be collected by 3.15pm. This is to allow staff to complete preparation and attend meetings. Should you require supervision for your children outside of these times the office staff can provide details of outside school hours care providers in our area.

NATURE PLAYGROUND

Thank you to our small team who continued the work on the playground last weekend. Things are really starting to take shape and we look forward to seeing more progress over the next few weeks.

FREE DRESS

To celebrate the end of Term, children are allowed to wear neat casual clothes to school next Friday, 1 July.

The Knitting Club are knitting squares to join together for blankets which will be given to St Vincent de Paul for the homeless and the women’s shelter. The good news is the club is on their fourth blanket. Very dedicated knitters! If you wish to support this worthy cause, the club would like to request number 4mm (old size 8) knitting needles and balls of 8 ply wool.
