DEAR PARENTS AND STAFF

On the first day of the Festival of Unleavened Bread, the disciples came to Jesus and asked,

"Where do you want us to make preparations for you to eat the Passover?"

He replied, "Go into the city to a certain man and tell him, 'The Teacher says: My appointed time is near. I am going to celebrate the Passover with my disciples at your house.'"

So the disciples did as Jesus had directed them and prepared the Passover.

(Matthew 26: 17-19)

SACRAMENT OF EUCHARIST

Whilst their preparation for the Sacrament of Eucharist for our Year Four children has been occurring over a number of weeks, this weekend's commitment Masses are somewhat of a reality check that they are very close to actually receiving Jesus for the first time. Since receiving the Sacrament of Penance last year the children have been eagerly awaiting this very significant event and I ask that you all continue to pray for them and their families.

IMPORTANT CHANGES TO SCHOOL DATES

Due to Government regulations and compliance with industrial directives it has been necessary for our school to make some changes to the Professional Development days that are proposed for the remainder of this year. **These will now be days of attendance for the children.** The days concerned are:

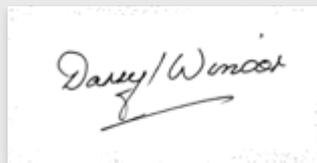

- Friday 29 June
- Thursday 20 September
- Friday 21 September

There will also be a slight modification to the Recess time each day with children spending the first 6 minutes of Recess being supervised by their class teacher while they eat their morning tea. The children will then have 14 minutes to play before returning to class.

It is very difficult to explain the specific reasons for these changes in the newsletter but please be assured that they have only been put in place in response to the legislative and industrial conditions and regulations.

CAR PARK ISSUES

Please remember to only exit the car park between the School and the Church via the Daly Street exit. Some parents have been exiting onto Gilroy Street which is both dangerous and creates difficulties for vehicles entering the car park.

YR 4 CLASS NEWS

This term, Year 4 have had a very busy term in preparation for receiving their First Holy Communion. Students went to the Schoenstatt Shrine in Armadale to help prepare for the sacrament. Here are some thoughts from the students about the day.

Myles Fernandes-Dodsley (4P)

On the 8th of May, class 4P and 4M went to the Schoenstatt Shrine. My favourite part was making the communion candles and putting coloured strips of wax on it. With the wax we made grapes, the host, a cross, wheat, water and used plastic to make the chalice. I think it looked really awesome.

Abby Boyle (4P)

My favourite part of the retreat was going to the actual shrine because it was really cute and it was fun doing all of the stuff in the shrine. It was a very special day and it has made me very excited about making my communion.

Keisha Javier (4M)

On Tuesday, 8th May, 4M and 4P went to visit the Schoenstatt Shrine. We got there by bus. Mrs Pethick made up a game if the bus stops then we stop talking and if the bus moves we can start talking. When we got to the shrine Sister Lisette was waiting for us at the entrance with a big smile. When we got out of the bus Sister Lisette led us to the main room and shared a story with us.

Thalia Armstrong (4M)

On Tuesday, 8th May, 4M and 4P Went to the Schoenstatt Shrine. When we got there, we were welcomed by Sister Lisette and she talked about not wasting food because there are many hungry people in poorer countries. After this, we made Eucharist candles. It was hard at first but it became easier as we went along by learning new techniques. We also went into the Shrine to pray and share what we would give up to Mary and God.

CIVICS AND CITIZENSHIP

In Civics and Citizenship, students have been learning all about the three levels of Government and focussing on the local Belmont council. Students have had to discuss laws and rules that can have an impact on their lives, as well as researching different initiatives the local council provides for its residents. In health, students have been learning about the importance of healthy eating and the five food groups. Later in the term students will design a healthy menu, demonstrating their knowledge of the different food groups and nutrients the body needs.
